Within seconds you will have an OSHA-compliant written safety program with your company name on every page.

Included in your free safety manual:

- **Corporate Safety Policy** - a perfectly written corporate policy ready for you, your President, CEO, or Boss to sign off showing that you have Management Commitment - from the top!
- **Company Policies and Procedures** - includes important statements about how to handle first aid requirements, how your company will handle OSHA record-keeping requirements, general Do's and Don'ts that every company needs to put in writing, safety management responsibilities, and one of the key policies that OSHA looks for: Disciplinary Actions for Willful Unsafe Acts.
- **Hazard Communication Program** - One of the standards consistently listed in the Top 10 Most Frequently Cited Standards is the OSHA regulation on Hazard Communication. As part of this Free Safety Manual you'll get a written "HazCom" program that includes the requirements for the Hazard Communication Standard (HCS) which is now aligned with the Globally Harmonized System of Classification and Labeling of Chemicals (GHS).

You won't find a better deal on an OSHA Safety Program anywhere else. We are giving away this fully-customizable safety manual because we believe all companies should have access to the best safety program foundation available. ***Building a safety program shouldn't cost hundreds of dollars to get started.***
